Julian Union High School District

PO Box 417 - 1656 Highway 78 - Julian, CA 92036-0417 - 760-765-3208 - 765-2926 fax

Dear Parents/Guardians:

The Julian Union High School Board Trustees recently renewed the agreement with Interquest Detection Canines, Inc., to provide trained detection canines to conduct random, unannounced inspections of all campus locations in the district.

These canines are trained to detect the presence of illicit drugs, alcohol, and gunpowder-based items. Campus buildings, parking lots, and grounds will be randomly inspected for prohibited items. If detected and found, the district will initiate the appropriate disciplinary action.

These canines are non-aggressive retrieving breeds such as golden and Labrador retrievers. They are trained to discriminate specific “scents” of contraband items and indicate the area where the scent is detected. Interquest provides service to over 1,200 public school districts across the nation.

With the recent publicity concerning the dramatic increase in teenage drug use, Julian Union High School District is taking every reasonable precaution to insure a safe and healthy learning environment for all concerned.

Respectfully,

Pete McHugh
Superintendent
